

Monthly Projects Update - November 2022

Bay Road, Moonta Bay

- Stage 2 – Highview Grove to Robert Street – Road surface has been cut and filled to the design level.
- Downer's stabilising team is back on site and have started the foam bitumen stabilisation in this zone.
- Stage 2 works behind the kerb, including backfilling, placing crusher fines and shared path construction are nearing completion and awaiting asphalt seal.
- CME have achieved practical completion and are continuing to demobilise from Majors Road site
- Electrical conduits and water meter connections are now completed ready for PLEC and median island planting.
- SA Water contractors have set up their work site at the Moonta Football Oval and have begun upgrading the main along Bay Road and Milne Terrace.

George Street, Moonta - Stormwater Upgrade

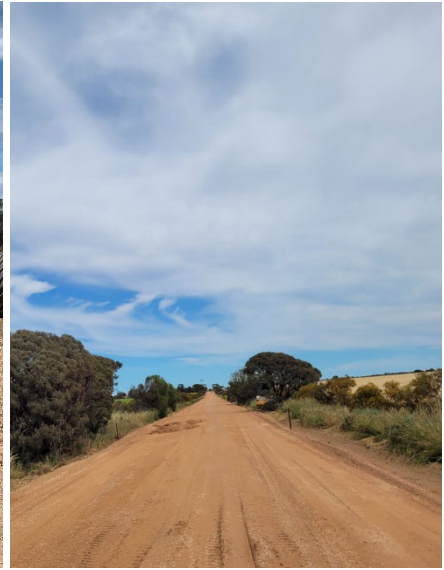

- Zone 2 works were completed prior to the October long weekend and school holidays.
- The contractor removed all plant and equipment and site fencing prior to this break allowing for full traffic flows along George Street.
- Zone 3 works commenced 24th October 2022, this zone is from Cafe Capella's and continues towards Ellen Street intersection.
- Contractor and Council staff continue to liaise with business owners to keep them updated on the projects progress and inconveniences.

Monthly Projects Update - November 2022

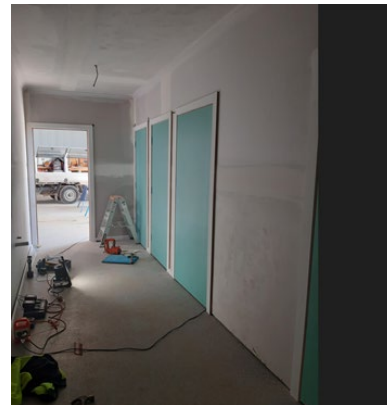

Copper Coast Unsealed Roads Re-sheeting Program

- The 5 Year Unsealed Road Plan has commenced, works have begun on Thomas Plains Road, Kadina.
- 2km unsealed roads have had vegetation cleared, been reformed and finished with a 200mm layer of PM2/20 quarry rubble, focus is on Category 1 roads only as per the 5 Year Transport Plan.
- Contractors have also been engaged to increase operational capacity with the unsealed roads works program.
- Works will continue until the weather turns and it becomes too hot and dry.

Hedonbar Brewery, Kadina

- Construction of the amenities has progressed well and is nearing completion, with only final fit out remaining.
- The required modifications to the shed have all been completed.
- Works to be completed are the electrical upgrade, separation of the two leased areas, and the installation of a fire main and associated fire requirements.
- Other works by Hedonbar have been undertaken in conjunction, these are the installation of external signage, internal floor drains, the bar and some internal painting.
