

## Monthly Projects Update - May 2023

### Moonta Road, Moonta Stormwater Upgrade

- The majority of the project has been completed, with contractor MA Skinner having demobilised from site.
- Their recent works have seen
  - o all culverts under Coast Road, Carlisle Street and East Terrace installed
  - o drain excavation, shaping and bund wall construction completed
  - o rock scouring and rock edge wall lining completed
- Contractor encountered a large amount of rock being within a section of the swale drain, despite this delays were kept to a minimum.
- Fencing, bridge and vegetation that was removed as part of the upgrade, will be reinstated as the next, and final stage of this project.

### PLEC Stage 2 – Undergrounding of power lines

- Council and contractor working with SA Power Networks to underground power. Stage 2 is from Tossell Street down to the end of Bay Road, Moonta Bay.
- Stage 1 – from corner of George Street/Bay Road to past Caroline Street to commence soon.
- Stage 2 includes an upgrade to the Transformer that feeds into the Moonta Bay Caravan Park.
- Conduits have been installed under Bay Road prior to road stabilisation so Bay Road won't be dug up.
- Expected time of Stage 1 and 2 completion June/July 2023.

## Monthly Projects Update - May 2023

### Polgreen Park – Public Toilet Upgrade

- Timber frame construction work on the new toilet has been completed since the laying of the concrete slab.
- Council staff have been working on the installation of the external cladding getting the toilet to lock up
- Plumbing and electrical contractors are scheduled to install their respective first fix items before internal cladding can commence.
- Painting contractor has completed painting external exposed timber members.

### Unsealed Roads 5 Year Re-sheet Program

- Contractor currently working on Allen Road, Kadina.
- 4km of vegetation has been cleared along the verge.
- 1,100m subgrade formed up to compacted to finished level ready for final 150mm PM2 layer of rubble.
- Council construction crew working on Koch/Whites Road, Kadina.
- 900m subgrade formed up to finished level ready for final 150mm PM2 layer.
- Contractor working Thomas Plains Road.
- Final 1km subgrade formed up to compacted to finished level ready for final 150mm PM2 layer of rubble.

## Monthly Projects Update - May 2023

### Moonta Bay Revetment Wall & Beach Access

- Council construction crew have completed reforming 96m of the revetment wall, consisting of 50mm to 100mm ballast rock, covered in R900 Texcel Geofabrics, finished off with large 1m rocks.
- 39 metres is prepared with ballast rock, council currently sourcing large rock to finish of this section.
- 30 metres still required to be constructed to finalize the revetment wall up to the Moonta bay access ramp.
- Access ramp design and supply tender was awarded and the material is in production. Access ramp is to be a fibreglass reinforced product in lieu of a timber framed construction.

### Kadina Lagoons

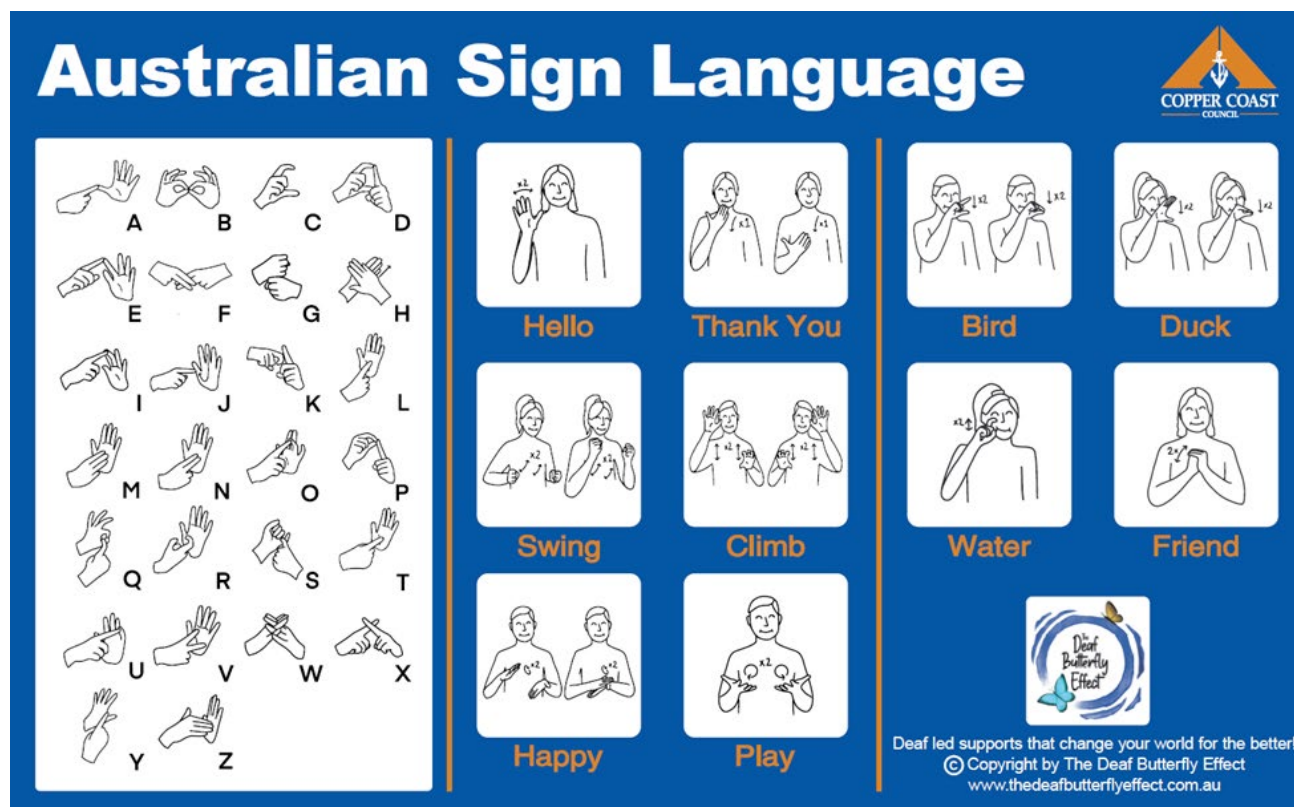

- Contractor has completed the HDPE (High Density Polyethylene) lining of lagoon 1A
- Final inspection and Sign off completed by WGA (Wallbridge, Gilbert and Aztec) engineering
- Waiting approval from the EPA and Department of Health to commence filling.
- Once approved, closes out Action 8 of the EPA Environmental improvement plan.

## Monthly Projects Update - May 2023

### Auslan Signage

- To further enhance accessibility within our region, Council staff will be installing 3 signs featuring Auslan signage at South Beach, Port Hughes, Wallaroo Adventure Playground and Victoria Square, Kadina playgrounds.
- This initiative assists in learning Auslan sign language and interacting with Deaf and Hard of Hearing kids within our community.
