

Community Exhibitions

Community exhibitions are open to artists and friends from both within and beyond the Copper Coast. Exhibitions are programmed in advance, however new exhibitors and volunteers are welcomed and interested artists are encouraged to apply.

To prepare for exhibitions, works are brought to the gallery in the last week of the month preceding the exhibition, accompanied by a list of works and details. Paintings must be fitted with large D-Ring fastenings suitable for wire hangings.

Works may be offered for sale (25% commission on sales) or be reserved for viewing only. There is no entry fee for an application to exhibit.

Enquires for future exhibitions are welcomed. Please phone: 8828 1200

The Copper Coast art galleries are proudly managed by community volunteers and Copper Coast Council.

Information contained in the exhibition program is correct at the time of printing, however it may be subject to change.
