

# Monthly Projects Update – May 2021

## Bay Road

- Bay Road stage 3 stormwater installation commenced Tuesday, 27 April.
- Road closures will be in place from Recreation Road to Coast Road during these works.
- Traffic Management Plans have been developed by the contractors.
- Public notification to residents has been conducted via social media and letter box drop.
- Council continues to work with the Project Management Team, Tonkin consulting, and the contractors collaboratively.

STAGE 1

STAGE 2

STAGE 3

# Monthly Projects Update – May 2021

## Frances Terrace

- Frances Terrace/Milne Terrace Roundabout (Stage 5) civil works complete, including asphaltting and line marking.
- Shared path civil works as well as asphaltting within extents complete.
- Council working with SA Power Networks to underground overhead power cables spanning across the roundabout towards the Moonta golf course (Underground power conduits for this already in place).
- Council is working with the lighting contractor to finalise the installation of street lighting.

## Moonta Cemetery

- Works are continuing on the northern facing wall.
- The contractors have sourced a limestone house set for demolition that will provide an ideal resource of rock.

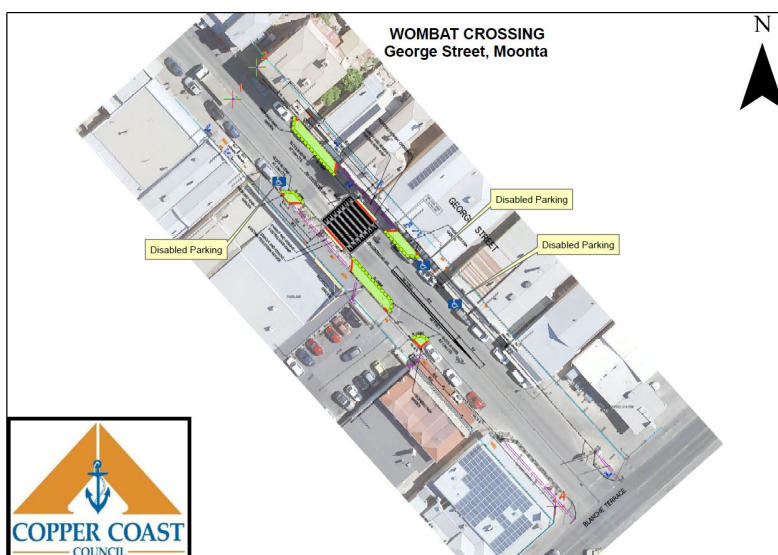

# Monthly Projects Update – May 2021

## Pedestrian Crossing - George Street

- Project commenced 3 May 2021.
- The existing kerb and pedestrian refuge will be removed where rain garden area works will begin.
- Additional works to include new kerbing, pram ramps, disable car-parking and signage.
- Finished with a raised line-marked asphalt crossing to complete this project
- Project is expected to take an estimated 20 working days, weather permitting.

## Ellen Street carpark

- Heritage styled Cobblestone paved paths have been laid to gain access to the amenities and carpark, including an additional concrete pram ramp.
- Timber screening has been added in front of the amenities building and electrical box.
- Final plantings in the newly constructed garden beds have been completed.
- Repairs to carpark where excavation took place have been undertaken and line marking will proceed this.
- Dividing stone wall has been re-rendered and painted and awaits a heritage themed mural that will complete the project.
