

## Moonta Early Learning Child Care Centre Survey

Copper Coast Council is investigating whether there is a need for a Early Learning Child Care Facility in the Moonta/Moonta Bay area.

While Out of School Hours Care (OSHC), Kindergarten and some private Family Day Care providers exist, there are only two Child Care Centres in the Copper Coast – both located in Kadina. However, these centres are currently at capacity and have extensive waiting lists.

Council wishes to survey members of the public via a Public Consultation survey to ascertain whether an Early Learning Child Care Facility in the Moonta/Moonta Bay area is needed.
