

Community Exhibitions

Community exhibitions are open to artists & friends from both within & beyond the Copper Coast.

Exhibitions are programmed in advance, however new exhibitors & volunteers are welcomed & interested artists are encouraged to apply.

To prepare for exhibitions works are brought to the gallery in the last week of the month preceding the exhibition, accompanied by a list of works & details. Paintings must be fitted with large D-Ring fastenings suitable for wire hangings.

Works may be offered for sale (25% commission on sales) or be reserved for viewing only. There is no entry fee for an application to exhibit.

Enquires for future exhibitions are welcomed.
Please Phone: 8828 1250

Copper Coast Art Galleries are proudly managed by community volunteers & Copper Coast Council.

Information contained in the exhibition program is correct at the time of printing, however it may be subject to change.
