Approved Locations and Location Rules for Mobile Vendors		

Approved Locations

Pursuant to Council's Mobile Vending Policy (Policy), available via Council's website www.coppercoast.sa.gov.au (Website), there are 13 Approved Locations from where a Mobile Vendor Permit Holder can operate. The Permit Holder does not require any further approvals for any of these 13 Approved Locations. Council may, for unforeseen reasons, prohibit the use of any of these Approved Locations at any time. Permit Holders will be advised when such a decision is made.

No Mobile Vendor (other than a Mobile Ice Cream Vendor) may operate from any location other than the Approved Locations without separate approval from Council.

Mobile Ice Cream Vendors

The Approved Location Rules do not apply to Mobile Ice Cream Vendors **provided that** they do not remain stationary for more than ten minutes in the same area; they may be stopped as hailed by customers and primarily service residential areas.

Mobile Ice Cream Vendors can also Trade in the Approved Locations with a Permit.
