KERSIDE BIN PLACEMENT

Bins should be placed at the kerbside by 7am on your collection day.

Please considering placement of your bin to prevent loss of car parking allotments but utilising service laneways and road protrusions, keeping a minimum distance of 1 metre between bins, parked cars, street trees and other infrastructure.

It would be appreciated that bins be brought in as soon as they are emptied but no later than at the end of the day they are emptied.

FOOD SCRAPS GO IN THE GREEN BIN

All food scraps including fruit and vegetables, tea bags and coffee grounds, dairy products, egg and oyster shells, bones, meat and seafood, as well as paper, shredded paper, paper towels and tissues must now be placed in the Organics bin. Using Council supplied kitchen caddies and compostable bags will encourage the new practice to be followed. In addition, cardboard can also be placed into the organics bin.

E-WASTE AND BATTERIES

E-waste and batteries must not be placed in any bin and can be taken to the Resource Recovery Centre at Wallaroo at no charge

RESOURCE RECOVERY CENTRE

Items not accepted through the kerbside collection (with the exception of building materials dirt and rubble) can be taken to the Resource Recovery Centre at Wallaroo. Charges may apply.

Visit coppercoast.sa.gov.au/service

COMPLIANT BINS

Residents are responsible to purchase and maintain a compliant bin.

Visit coppercoast.sa.gov.au/service
