

Mayor's Message... **Community Spirit**

APEX Copper Coast Retreats – A fantastic example of one of the many volunteer groups in our region.

Every year the Copper Coast has many events. Events that attract tourists and entertain the locals. The many events that are hosted in the Copper Coast are varied and cater to all tastes.

This year we have had two significant biennial events. The Kernewek Lowland and more recently the Yorke Peninsula Field days (which were successfully organised and well supported), both of which have attracted thousands of visitors to the Copper Coast.

The economic benefit of these events is immeasurable and they add significant value that reaches into many areas of our community.

What is remarkable about these events and indeed most events that are run in the Copper Coast, is that they are organised and run largely by volunteers. People that are interested in our community, volunteering their time and working together to make the Copper Coast a better place to live. Without our fantastic volunteers, Council could not fund all of the wonderful facilities/events our community have access to. Sporting facilities provided by volunteers, marketing created by volunteers, events that volunteers help run and even down to the volunteer emergency services that keep us all safe.

Like many things, there is a two-way benefit to volunteering. Whilst we never underestimate the work that volunteers do, I urge you to consider trying to find a small amount of time to volunteer your services. There are many ways you can volunteer and you will find a benefit.

Research shows that contributing to society and the positive feelings experienced when people give back can be just as important to overall wellbeing. Giving back to the community and having a strong social conscience can also benefit the individual.

- You feel needed. We often don't value ourselves and trivialise our actions. Seeing what a big impact your seemingly small contribution can make to the lives of others is very rewarding.
- You will feel good about yourself. Doing something for someone else makes you feel better about yourself as a person and boosts self-esteem. It's a win-win for everyone.
- Volunteering is a great way to meet new people and get to know your local community. It also helps you connect with other people who share your passion.

There are many ways to contribute to the wider community. Whether it is using your business skills to support a Board, getting your

hands dirty planting trees at the local park, visiting a lonely person or knitting toys at home. Consider what you really like doing and find the right match with an organisation that needs your skills and passion.

As I move through the community, visiting many groups and organisations two things are glaringly obvious.

One is that a large portion of our volunteers are ageing. I am hoping we can build a culture to encourage youth into volunteering. There are significant benefits to be gained in developing a culture of volunteering in our youth and providing opportunities for young people to gain skills, enhance health and well-being.

The second observation that is very obvious in the Copper Coast is that Community Spirit is alive and well. We have so many members of our community ready and willing to roll up their sleeves and get the job done. Congratulations to all of you. You know the benefits you gain and hopefully we can encourage more to help you. However, to you I say thank you. Thank you for helping keep the community spirit alive on the Copper Coast.

Roslyn Talbot, Mayor

Kerbside Collection to include New Greenwaste Collection

Council is introducing a Greenwaste Kerbside Collection service which will be included as part of the rates from January 2020. The collection will be monthly and Residents are required to purchase their own bin to join this service.

The inclusion of the green waste service will be a great addition to the already existing collection services, and look to reduce

almost 900 tonnes from landfill yearly (based on prior figures).

Please ensure the specified bin listed below is purchased to avoid your bin not being collected. To find out which days your Greenwaste bin will be collected, please see the 2020 Recycling Calendar page 12 of this issue.

Specifications

The specifications of the bin are:

- Dark green body with lime green lid
- 240 litre capacity
- Manufactured in accordance with Australian standards (AS4123 and EN840)
- Resistant to UV degradation
- Resistant to decay, frost, heat and chemicals
- Tolerant of mechanical handling during road side pick-up

What can go in?

As this is a greenwaste collection service, the only streams of waste that can enter this bin are:

- Small prunings and cuttings
- Lawn clippings and weeds
- Flowers and leaves
- Bark, Small twigs and branches (no bigger than 15cm in diameter)
- Seaweed and sweepings

Month of December 2019 Recycling Collection Changes

DECEMBER 2019						
Mon	Tue	Wed	Thu	Fri	Sat	Sun
30	31					1
2	3	4	5	6	7	8
9	10	11	12	13	14	15
16	17	18	19	20	21	22
23	24	25	26	27	28	29

Please note that collection of recycling bins for the month of December 2019 has changed. Please also note the following Refuse Collections over Christmas.

- Moonta Township / Moonta Mines / North Yelta / North Moonta refuse will be collected 26th of December
- Kadina Township / Newtown / Wallaroo Mines / Jerusalem refuse will be collected 27th of December.

Please inform anybody who may be affected by this to ensure collection of bins is not missed. A copy of the Recycling Calendar can be found on Councils website or a copy can be emailed/sent in the post. Just contact Council on 8828 1200 option 6 to request this.

Free! Free! Free! Kerbside Giveaway Weekend

Once again we have our annual 'Free Roadside Give Away Weekend' November Saturday 30th and Sunday 1st December.

An opportunity where residents can place any unwanted items on the road reserve for free collection by other residents. The clean-up and removal of any items that fail to be given away is the responsibility of the **owner** not Council.

- Place re-usable household items at the kerb in front of your home on Saturday morning
- Only place items for FREE with 'free' stickers or signs on items
- Remove items from the kerb by dusk on Sunday
- Consider donating unclaimed items to charitable organisations
- Place any garbage for collection on your regular garbage day and week (regular bin limits apply)

For further information please call the Council Office, check Council's Website and make sure you 'Like' us on Facebook!

Drought Funding

The Council has received approval for \$1M for drought funding projects to stimulate the economy. The funding is subject to the Federal Government criteria to benefit particularly local businesses and Contractors. The Council has approved the following projects:

- Moonta Bay Splash Town Shade Cover and Repairs
- The establishment of Dog Parks at Wallaroo, Kadina and Moonta
- Cemetery Wall and Cemetery Repairs at Kadina and Moonta Cemeteries
- Beautification and Upgrade of Wallaroo Council Land
- Upgrade of Timaru Park, North Beach
- The construction and installation of a Beach Access Ramp Johnsons Cove, Port Hughes
- Kadina Treatment Pond Lagoon Liner
- Repair Wallaroo Breakwater
- Copper Coast Drought Support Dinner
- The construction of a new 7 Bay Shed for the Moonta Community Activity Centre
- Copper Coast Sport & Leisure Centre Repairs and Acoustic/Sound Upgrade
- Installation of Charging Stations for Electric Mobility Scooters at Wallaroo, Moonta and Kadina
- Undertake Tree Trimming on Rural Roads

The Federal Government advised on the 16th September 2019 that all of these projects have been approved. The projects are required to be completed by the 30th June 2020.

Economic Development and Marketing Plan

The Council commissioned Parallax to prepare an Economic Development and Marketing Plan for Council. Following discussions with businesses, organisations and residents a draft Plan was produced with Actions. The Action titles were Brand Affirmation, Tourism, Health, Generate Investment and Education. The draft Plan was subject to any comments from businesses, organisations, people that contributed to the Plan and the public. On 7th August 2019 Council adopted the Economic Development and Marketing Plan which will continue to drive the growth and prosperity for the Copper Coast Council. We will ensure that every six months there is a report to Council on implementing the actions in the Plan.

Upper Spencer Gulf University Hub at Kadina

Copper Coast Council together with the Upper Spencer Gulf University Hub at Port Pirie, RDA Yorke and Mid North and other key stakeholders are progressing the consideration of a node of this University Hub in the Copper Coast Council area based at Kadina.

A Steering Committee with Businesses, Government, Community and Council representatives has been formed to progress this initiative. Further information will be provided as this is progressed.

Snapper Closure

The Council lodged a submission with the State Government highlighting the significant economic and community impact the proposed State Government Snapper Closure on fishing will have on the Copper Coast Tourism and businesses in particular. It is understood that the State Government have imposed a three year ban on the fishing for Snapper from 1st November 2019.

2019/20 COUNCIL CALENDAR

Nov	4th	Audit Committee meeting
	6th	Council meeting – 7.00 pm, Council Chambers, Town Hall, Kadina
	13th	Council Assessment Panel (CAP) meeting, 5.30 pm, Town Hall Function Room, Kadina
Dec	4th	Council meeting – 7.00 pm, Council Chambers, Town Hall, Kadina
	11th	Council Assessment Panel (CAP) meeting, 5.30 pm, Town Hall Function Room, Kadina
Jan	22nd	Council meeting – 7.00 pm, Council Chambers, Town Hall, Kadina
	22nd	Council Assessment Panel (CAP) meeting, 5.30 pm, Town Hall Function Room, Kadina

Please note that changes to the above meetings will be published on Council's website along with other meeting dates.

All public are welcome to attend these meetings.

Special meetings of Council may be called at other times throughout the year and will be added to the website as required.

Kadina Hub Officially Opens

The completed Kadina Hub was officially opened on the 6th of September, with Member for Narungga Fraser Ellis cutting the ribbon.

The day included live music, magic, face painting and a creation station for kids to enjoy. It was fantastic to see so many street traders in the spirit, despite a very wintry and windy day.

REMINDER: The Optus Movie night (originally included as part of the HUB opening) will be rescheduled for a later date. More to come on our 'Copper Coast Council' Facebook when we know more, and in a later addition of the Copper Post.

Copper Coast Council Mayor Roslyn Talbot, Member for Narungga Fraser Ellis, Kadina Chamber of Commerce co-chairs Lisa Robertson and Darren Cave, and Chamber representative Kym Gregory, officially open the revitalised Kadina town centre on Friday, September 6. Businesses offered various promotions to support the opening event, which also featured music, magic, face painting and more in the new-look Kadina Hub.

Photos courtesy YP Country Times

A number of talented local performers took to the street during the opening.

James the Travelling Magician during one of his shows .

Harley and Jaxon Raymond take a police car for a spin.

Carter and Dida Loechel create some face masks during the Kadina Hub opening.

7TH, 18TH AND 3RD JANUARY

MOONTA URBAN DESIGN FRAMEWORK SURVEY

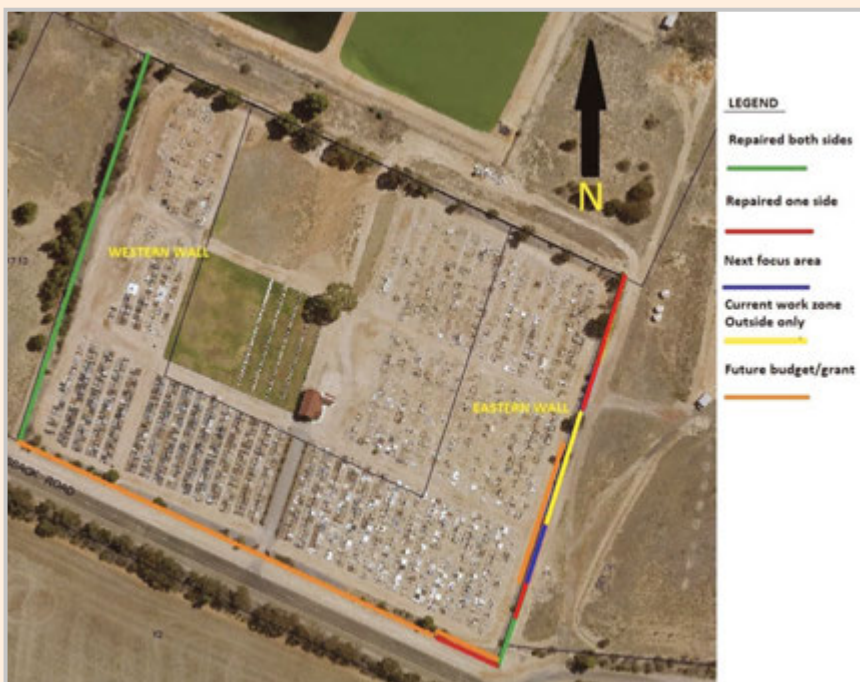

The Moonta Masterplan Survey recently closed, after being extended for almost 2 weeks, as per a request by the Moonta Business Traders Group in August. In total, 437 responses were received, which is a good indicator of the level of interest in this much loved township. The next stage of the process is to use the input from the survey to formulate a draft Framework that will be presented to Council. More to come as this project advances.

Port Hughes Foreshore Landscape

As part of the development approval for the Port Hughes boat ramp upgrade, landscape works on the upper section of the boat ramp carpark were completed in August.

Works included a vegetated and formed batter between the carpark and upper level, garden bed between the bike track adjacent Minnie Terrace and the reserve and fencing to highlight overflow parking during peak periods.

Illuminart comes to Wallaroo

Thousands rugged up for Illuminart Show: An estimated 2000+ came along to a fantastic show by Illuminart as part of the SALA Festival held statewide in August. Thank you so much to all who came out, and helped in making the night a huge success. The Copper Coast New Years Eve Committee raised much needed funds, and were absolutely flat out all night!

Cemetery Stone Wall Restoration

Restoration works are progressing on the Kadina Cemetery Wall, with the focus now on the Eastern outside wall. Repairs have continued throughout the month.

In addition to the works, Council has applied for a heritage grant to help further develop this project, together with the Moonta Cemetery Wall and a Cemetery Master Plan. The grant is through round two of the SA Heritage Grants initiative.

Community volunteers continue to assist with this project.

Victoria Square Update

- Tenders have been awarded to Contractors to upgrade and reconfigure the irrigation and electrical within Victoria Square between Digby and Ewing Streets.
- Restoration works on the Rotunda have progressed with the balustrade removed, repaired and reinstated.
- Council is communicating developments with the Rotary Club of Northern Yorke Peninsula to ensure the Rotary Kadina Markets and future infrastructure supports ongoing activities within the park.

Rotary Kadina Markets.

Copper Coast PUTT PUTT

The newly opened Copper Coast Putt Putt course will be OPEN FOR SUMMER! A fantastic new community attraction, that will be fun for everyone!

Check out 'Copper Coast Putt Putt' on Facebook and like the page for more!

This project was made possible as part of the State Government's Fund My Neighbourhood initiative!

FAQS:

When is the course open?

The course officially opened on Friday, 27th September, and will be open EVERY DAY 10am-4pm EXCEPT CHRISTMAS and GOOD FRIDAY

Where is the course?

The course is located in front of the Visitor Information Centre, at 50 Mines Road, Matta Flat 5554

How much is a round?

The course has a flat fee of \$5 for ALL! That's right, kids, adults, EVERYONE!

Copper Coast Welcomes Cruise Ships

Cruise & Maritime Voyages Australia (CMV) will be the world's first cruise line to visit Wallaroo this summer. CMV's newest ship Vasco da Gama will visit Wallaroo in addition to Port Lincoln and Kangaroo Island providing passengers with the opportunity to experience the Copper Coast.

The Vasco da Gama will visit 3 times this season on Saturday 7th December, Wednesday 18th December and Friday 3rd January. The ship will dock at 8am each visit with differing departure times due to the tides.

1200 passengers and 600 crew will have the opportunity to participate in tours, local markets & entertainment, shopping and dining providing an economic benefit to the area.

Community members and visitors are encouraged to come to Wallaroo to not only see the ship in port but to experience all that is being offered.

Copper Coast Visitor Information Centre staff have been working hard to prepare for the visits. Markets (coordinated by NYP Rotary Club) will be held on all 3 dates at the John Terrace Reserve, Wallaroo with live entertainment programmed throughout each day.

Local tours will be available throughout the region and can be booked either on the ship through Intercruises, in person at the pop-up Visitor Information Centre at the Old

Railway Station, Wallaroo or online through www.visitcoppercoast.com.au

Shuttle buses will bring passengers who don't wish to walk along our picturesque jetty to and from the ship directly into John Tce which will act as the gateway to the Copper Coast. Between Town Shuttles will connect Wallaroo, Moonta and Kadina.

An extensive Meet & Greet volunteer pro-

gram is being prepared and many community members are now inducted to assist with the many roles required to ensure passengers experience the very best our region has to offer.

Further information is available by contacting staff at the Copper Coast Visitor Information Centre on 88212333, by email visit@coppercoast.sa.gov.au or on Facebook Wallaroo Cruise Ship Updates.

Bushfire prevention

Fire Danger Season – 15th November 2019 -30th April 2020 (subject to change). Now is the time to take pre-emptive action if you haven't already done so, to ensure that your property is cleared prior to the commencement of the fire danger season and is maintained to the required standard for the duration of the season.

At this time of year vegetation can become overgrown, creating fire hazards. In order to reduce the potential danger until the expiry of the fire danger season:

- Properties under one hectare in area - all undergrowth must be maintained at or below 10cm in height
- Properties over one hectare in area -

establish and maintain a fire break around the whole area, placed as near as practicable to the perimeter. The fire break shall be at least a 5 metre wide strip in which all grass, pest plants and undergrowth is reduced to a maximum of 10 centimetres.

Council's Fire Prevention Officer has recently sent out reminder letters to property owners. Inspections of properties in the Copper Coast will commence early October 2019. If these properties have not been cleared a Section 105F notice will be issued with 21 days to rectify. Council then has the right to remove or reduce a fire hazard on private land and recoup the costs from the property owner and issue an expiation notice.

PROPOSED BUSHFIRE SEASON DATES

**15th NOV
2019
to
30th APR
2020**

This date can change please check the CFS website
www.cfs.sa.gov.au

Hi all, Max Stevens is my name and I'm the new STARCLUB field officer based in Kadina at the Copper Coast Council, also working closely with the Barunga West and Yorke Peninsula Councils delivering this State Government Program.

I am slowly moving myself around the Peninsula contacting people and club officials. I would like to take this opportunity in thanking everyone for their support and understanding. Yes, new to the role and on a very steep learning curve.

I wish all the clubs in the area all the very best for a successful summer season.

Please don't hesitate to make contact if we can help. Communication is key to developing all relationships. Starclub's mobile number and email address remains the same.
