

## Monthly Projects Update – September 2020

### Frances Terrace

Frances Terrace project is divided into 5 stages, image below:

- Lighting excavation/conduit layout works are complete in stage 1, 2 and 3.
- Excavation, preparation and reinstatement of kerbing is complete in stage 1.
- Storm water installation works within stage 2 – 5 are underway with stage 2 set to be completed at the end of August.
- Excavation and preparation of kerbing in stage 2 and 3 are underway.
- Limestone sheet rock is proving a challenge as expected.

### Moonta Town Hall

- Onsite truss construction has been completed.
- Removal of existing fascias and gutters undertaken in readiness for the truss replacement.
- Sub-Contractors including crane operator are scheduled to start the erection process from the 24<sup>th</sup> August weather permitting.

## Monthly Projects Update – September 2020

### Victoria Square

- Concrete garden beds have been installed and pavers reinstated.
- Temporary fencing has been removed and planting in the garden beds is completed.

### Timaru Park

- The North Beach Progress Association have completed building the new seating and table for under the BBQ shelter.

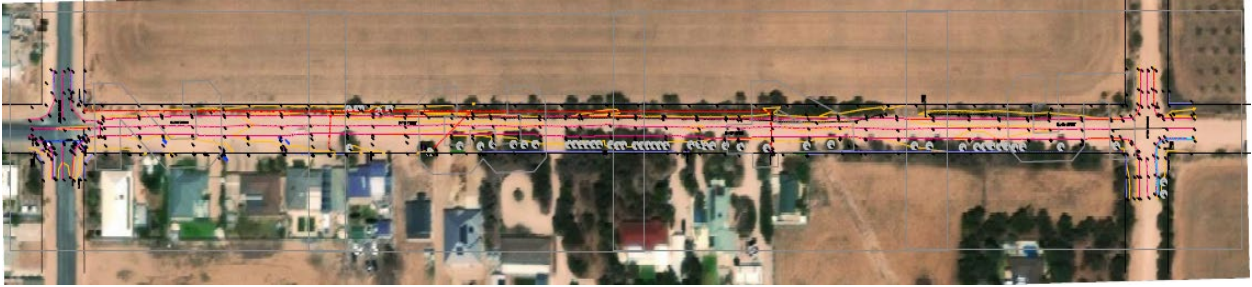

### David Street

- Council staff have trimmed trees along the Western road edge to allow for storm water swale excavation.
- Surveyors have been on site and set up level pegs.
- Excavation works for kerbing to begin when the weather allows.

## Monthly Projects Update – September 2020

### Kadina Cemetery Walls

- Contractors have made good progress this month despite the inclement weather.
- Works have included the removal of an existing repair that was caused by a fallen tree some years previous. The entire section was removed and rebuilt correctly.
